

Dave began his career as a young copywriter with Arnold Worldwide in Boston before becoming a creative partner at Modernista, writing notable work for Cadillac, Hummer, National Parks Foundation and more. He is currently the joint ECD at MullenLowe US, which was recently named one of the top three agencies by Ad Age. He has won numerous plaudits during his career, including a highly coveted Cannes Grand Prix and numerous Gold awards for his highly acclaimed work launching the new VW Beetle.
